Metrode Products Ltd. Statement on Conflict Minerals:

Consumable Arc Welding Products

Thank you very much for your inquiry regarding the use of conflict mineral materials in our products.

In consideration of Section §1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act – Metrode Products - is committed to apply fair, ethical and transparent business practices as well as to use raw materials and industrial products of legal and sustainable origin. Our suppliers must therefore develop policies toward preventing the use of conflict mineral sources from mines controlled by armed groups in the DRC or adjoining countries.

Unfortunately, we have not yet received corresponding confirmations from all our vendors. As tungsten could be used in some of our products we will not be able to give a corresponding clarification at this time. We will keep you updated on this subject.

If you should have any further questions, please do not hesitate to contact us.

We hope that the information provided meets your requirements and remain,

with best regards

Charles Fielden

Managing Director
