www.lincolnelectric.com/seminars

**ATTIRE:**  
PPE for weld demonstrations will be provided.  
Appropriate welding attire is required, e.g. long pants, steel toe shoes, etc.

**ADDITIONAL INFORMATION:**  
- Space is limited – 30 Attendees only  
- Shuttle service between the hotel and Lincoln Electric Corporate Headquarters will be provided.

**SEMINAR DESCRIPTION:**  
Aluminum is increasingly prevalent in manufacturing as a lightweight alternative to steel. The typical characteristics and performance one expects when welding with steel don’t necessarily apply.

The Lincoln Electric Advanced Aluminum Seminar is designed to give you the tools to achieve greater success, productivity and quality when welding aluminum.

**Topics include:**  
- Alloy designation and temper systems  
- Metal preparation  
- Comprehensive process review (GMAW/GTAW)  
- Design for aluminum welding  
- Troubleshooting  
- Aluminum automation solutions

**WHO SHOULD ATTEND?**  
This program is designed specifically for:  
Fabrication managers, welding engineers, technologists and technicians operations management, quality assurance & control personnel with current welding experience.

**REGISTER ONLINE TODAY!**  
To RSVP and view hotel information, click or visit: www.lincolnelectric.com/seminars  
Cost: $495.00

**ACCOMMODATIONS:**  
Special arrangements have been made for seminar attendees to receive a reduced rate at the Wyndham Playhouse Square – Downtown Cleveland. Simply mention Lincoln Electric when making your reservation.

Shuttle service between the hotel and Lincoln Electric Corporate Headquarters will be provided to and from the seminar each morning and evening. Breakfast and lunch will be provided.

Please plan to arrive in Cleveland no later than Monday, May 8th as the program will begin promptly at 8:00 am.

**Reserve Today!**
