2015 International Advanced Training Details (in Cleveland, OH, USA)

- ▶ Held at our World Engineering Technology Center in Cleveland, Ohio, USA, this program offers a combination of hands-on welding training and technical classroom discussions with each major welding process. Technical assignments will be given to each attendee which will require evening study.
- ▶ Course hours are from 8:00 AM to 5:00 PM Monday through Friday.
- ▶ Course is offered in **ENGLISH LANGUAGE** only.
- ▶ All of the attendees will be housed in the same hotel, thus facilitating individual and group discussions about personal welding experiences, application knowledge and problem solving techniques that have been successfully used by others.
- ▶ Attendees who graduate from the program will be refreshed with new ideas, increased technical knowledge and problem solving skills that will improve quality, productivity and reduce welding costs.

REGISTRATION AND EXPENSES

- ▶ **Reservations**
Complete the reservation form on the attached page and return to us **NOW**. Class size is limited.
- ▶ **Cost**
 - On a complimentary basis, Lincoln Electric provides daily lunch, daily transportation to and from the hotel and a graduation dinner.
 - Transportation to and from Cleveland Hopkins International Airport, hotel accommodations, dinners, (except for the graduation dinner), and personal expenses are the responsibility of the attendee.
 - Estimated hotel and food costs: \$85 – \$125.00 per day based on a single room occupancy.
- ▶ **Hotel Reservations**
 - Hotel reservations will be made by Lincoln. Location and contact information will be advised to attendee in confirmation letter.
 - Hotel transportation will be provided each day to and from Lincoln headquarters. Pick-up is at 7:30 a.m. daily at the hotel and 5:00 PM pick-up at Lincoln for return to the hotel.
 - Room reservations will be made so that the program attendees can stay together at a close hotel. If two individuals from the same company wish to share a hotel room, they should note that on the registration form.
- ▶ **Clothing**
 - Work clothes, proper **steel-toed safety shoes** and safety glasses with side shields are required for the training program. Clothing and safety shoes can be purchased in Cleveland. Safety glasses can be provided by Lincoln.
- ▶ **Cancellations**
 - In case of cancellation, Lincoln Electric International Sales must be notified at least two weeks prior to the start of the program.

SMOKING IS NOT PERMITTED ON LINCOLN ELECTRIC COMPANY PREMISES
