

Compact, Rugged and Complete

Inverter Racks

*K3402-1 Flextec 350X
Construction 4-Pack Rack
(Expandable to 8-Pack rack with
K3410-1 Flextec 350X 4-Pack to
8-Pack Rack Conversion Kit)
Shown with optional casters*

KEY FEATURES

Lincoln Electric's rack systems are ideal for grouping several inverter power sources in a portable industrial-grade package for construction and other environments.

Processes »

Invertec® V275-S: Stick, TIG, Gouging

Invertec® V350-PRO: Stick, TIG, MIG, Flux-Cored, Gouging

Flextec® 350X, 500 and 650X: Stick, TIG, MIG, Flux-Cored, Gouging

(1) Invertec® V275-S only

FEATURES

- **One easy connection**
Allows power sources to be connected with one primary power drop
- **The power sources are factory installed in the rack and wired to the main power distribution panel**
- **Entire system meets National Electrical Code (NEC).** – Compare the best in class rated output and wide amperage range
- **Individual fuses** – Provide overcurrent protection for each power source
- **Two overhead lifting eyes, fork lift slots⁽¹⁾, and heavy duty optional casters** – Provide ease of portability
- **Optional Caster Kit** – Available for Inverter Racks. Order K2665-1
- **Accommodates standard length machine input cables** – Ensures the power sources can be placed in any position on the rack
- **Common disconnect** – Units have a 200 amp, 600 volt, 3 phase disconnect switch (V350 Pro and V275-S units only)
- **Units are IP23 or IP23S Rated** – Depending on model
- **Fold Down fuse panel** – Makes it more convenient to access wiring and change fuses (Flextec models only)
- **Square tube frame construction** – Supports more weight and stands up to rugged job site use

RECOMMENDED ACCESSORIES

GENERAL OPTIONS

Flextec 350X Empty 4-Pack Rack
Complete rack assembly without welders.
Order K3400-1

Flextec 350X 4-Pack to 8-Pack Rack Conversion Kit
Expand the 4-pack (K3400-1) rack with or without welders to an 8-pack rack.
Order K3410-1

Flextec 350X Locking Foot Kit
Required when adding Flextec 350X welders to an empty rack.
Order K4424-1

Rack Caster Kit
Add heavy duty casters to any rack.
Order K2665-1

Tweco®-style Plug
(male, 1/0 Thru 2/0)
Order K3416-70

Tweco-Style Receptacle
(female, 1/0 Thru 4/0)
Order K3417-70

Tweco-Style Plug
(male, 3/0 Thru 4/0)
Order K3416-90

Tweco-Style Receptacle
(female, 3/0 Thru 4/0)
Order K3417-90

CUSTOMER ASSISTANCE POLICY

The business of The Lincoln Electric Company is manufacturing and selling high quality welding equipment, consumables, and cutting equipment. Our challenge is to meet the needs of our customers and to exceed their expectations. On occasion, purchasers may ask Lincoln Electric for information or advice about their use of our products. Our employees respond to inquiries to the best of their ability based on information provided to them by the customers and the knowledge they may have concerning the application. Our employees, however, are not in a position to verify the information provided or to evaluate the engineering requirements for the particular weldment. Accordingly, Lincoln Electric does not warrant or guarantee or assume any liability with respect to such information or advice. Moreover, the provision of such information or advice does not create, expand, or alter any warranty on our products. Any express or implied warranty that might arise from the information or advice, including any implied warranty of merchantability or any warranty of fitness for any customers' particular purpose is specifically disclaimed.

Lincoln Electric is a responsive manufacturer, but the selection and use of specific products sold by Lincoln Electric is solely within the control of, and remains the sole responsibility of the customer. Many variables beyond the control of Lincoln Electric affect the results obtained in applying these types of fabrication methods and service requirements.

Subject to Change – This information is accurate to the best of our knowledge at the time of printing. Please refer to www.lincolnelectric.com for any updated information.
