

IF YOU DO NOT AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT, YOU MAY NOT USE THE PRODUCT AND YOU SHOULD CONTACT YOUR LINCOLN ELECTRIC DISTRIBUTOR OR SALES REPRESENTATIVE.

SINGLE USER SOFTWARE LICENSE AGREEMENT

LICENSE:

Lincoln grants you the right to use the POWERWAVE Software Program (“the software”). You will not use, copy, modify, rent, sell, or transfer this software, or any portion thereof, except as provided for in this Agreement.

You may use the software on a single Lincoln Electric POWERWAVE arc welding power source ONLY.

RESTRICTIONS: You may not:

- 1) Use the software on more than one INVERTEC POWERWAVE Power Source at the same time.
- 2) Sub-license the software.
- 3) Reverse-engineer, de-compile or disassemble the software.
- 4) Copy the software, except for backup purposes.
- 5) Sell, license or patent welding applications made with this software.

NON-DISCLOSURE:

You agree that the software is and shall remain the property of Lincoln Electric, and that you will hold the software in confidence for Lincoln. You agree to prevent unauthorized use of the software, and to prevent disclosure to third parties.

ROYALTY-FREE:

You will be under no obligation to pay Lincoln a royalty for the use of the software when you use the software as permitted under this license.

WARRANTY:

Lincoln warrants to the original purchaser (and only the original purchaser) of the software that the software will be free of defects in workmanship for a period of three years from the date of shipment to the original purchaser. Lincoln’s liability under this warranty shall not exceed the cost of replacing the software.

THE ABOVE WARRANTIES ARE THE ONLY WARRANTIES OF ANY KIND EITHER EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. LINCOLN SHALL NOT BE LIABLE FOR ANY LOSS OF PROFITS, LOSS OF USE, INTERRUPTION OF BUSINESS, NOR FOR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND WHICH RELATE TO USE OF THE SOFTWARE.

TRANSFER:

You may transfer the software, subject to this license, to another party if the receiving party also purchases from you the POWERWAVE Power Source for which this software is sold. Prior to any such transfer, you must notify Lincoln, in writing, of the name and address of the party to whom the software has been transferred. If you do not notify Lincoln, the purchaser will not receive the warranty set forth above. You must retain no copies of the software and accompanying documentation. Transfer of the license terminates your right to use the software.

IMPROVEMENTS:

From time to time, Lincoln may make modifications or improvements in the software. Such modifications or improvements may be purchased by you from Lincoln under the terms of a separate License Agreement or Subscription Agreement for that software. Additional charges for installing and trouble-shooting may apply.

POST-TERMINATION OBLIGATIONS:

If this Agreement is terminated, you must stop using the software at once and, except in the case of transfer, destroy all copies. Your confidentiality and non-disclosure obligations shall survive termination and remain in effect for a period of five years following termination.

APPLICABLE LAW:

This License Agreement shall be interpreted and construed in accordance with the laws of the State of Ohio, and any litigation brought under this License Agreement shall be filed in the State or Federal Courts in the State of Ohio. Any claim arising out of this License Agreement will first be submitted for resolution by arbitration, except that Lincoln may seek equitable relief in the state or federal courts of Ohio if Lincoln determines that equitable relief is necessary.

TERM AND TERMINATION:

This Agreement shall remain in effect for so long as the POWERWAVE Power Source with which this software is provided is in use. The license automatically terminates when the INVERTEC POWERWAVE is removed from service.
